**Bankfoot Lane**  
Turn into Bankfoot Lane.  
As the name implies, you'll be at the foot of  
a big hill at this point.  
If it gets REALLY steep you've gone too far.

## Green Railings

We don't know whether these are to  
keep the animals in, or the crowds  
out... but you should turn into the  
car park when you see these.

## The Blue Door on the Right

When you hit the car park, head for  
this. Once you're in, you're just a few  
yards away. Follow the signs for  
Applied Digital.

## The Big Arch

If you see this you've gone wrong -  
don't go in! People have been lost for  
weeks taking this route.

## Laxmi Restaurant

Handily painted white with a bright  
pink sign to act as a landmark for  
businesses giving directions to visitors.
